Can I use the eChecker?
If your clinic:
Stores appointments electronically
Has Internet or Dial Up Network Access

You can use the eChecker!

www.covivitas.com
covivitas@covivitas.com

eChecker 1.0

COVIVITAS
eChecker 1.0

How does it work?

1. Covivitas will schedule the eChecker task
2. We then extract the Appointment Information
3. Then we gather and return the results!
